Supervision guidelines

Lifeguards are employed on a 1:100 ratio based on the expectation that parents will provide direct supervision of children.

CHILDREN UNDER 5 - must be constantly supervised and remain within arms reach. **If the child is in the water, the parent/guardian must be in the water too.**

CHILDREN UNDER 10 - must be accompanied into the facility and constantly supervised by a parent/guardian. **The parent/guardian must have a clear view of the child at all times.**

Unsupervised children (of any age) will be removed from the water if the lifeguard is concerned for their safety.

Community, Lifestyle, Opportunity

Maroondah City Council is proud of its investment in the provision of leisure opportunities within Maroondah. An integral part of that investment is the development and operation of some of Victoria's finest recreation, leisure, fitness and wellbeing facilities.

Splash in the great outdoors!

A delightfully warm 26°C takes the chill out of that early morning dip. Set in extensive green lawns, the 50m heated pool is a great venue for the serious early morning or evening lap swimmer. It also provides a cool oasis on a hot summer's day and an exciting day out for the whole family with plenty of shade.

Our shaded toddlers' pool is an ideal place for young children to play and the lawns offer a great spot to spread your picnic rug. In addition, our 20m outdoor learners' pool, with ideal standing depth for young children, offers a safe summer spot to relax in the great outdoors.

Our pool staff and lifeguards are fully qualified, have undertaken centre-specific inductions, and are diligent and observant.

With mature trees, green grass and a parkland setting, the pool is an ideal venue to get together with friends for a day out. Croydon Station is a short stroll up the road, making our pool easily accessible by public transport.

Our kiosk offers sunscreens, ice creams, hot and cold drinks and snacks, and is open long hours for your convenience.

Open seven days a week from early morning to evening, the Croydon Memorial Pool is a top spot this summer.
