Aquatic education for all

The Maroondah aquatic education program has long been recognised for its commitment to providing quality aquatic education. For over 20 years, children and adults have taken their first steps to water confidence and safety in our pools.

All our teachers are AUSTSWIM qualified, experienced and undertake additional centre-specific training to ensure the delivery of a quality program. Our program is adapted from the Life Saving Victoria's 'Swim and Survive' program and this ensures that students are taught correct swimming technique. Infant and Access All Abilities teachers also undertake additional training and understand the importance of providing a caring, nurturing and safe environment.

As an added bonus, children enrolled in our programs can have a free swim before or after their lesson.

Health & Activity Pool

The Health & Activity Pool is a popular destination for people looking to exercise in the supportive environment of warm water. With the water temperature set between 32°C - 34°C, this specialised pool provides patrons with a warmer alternative to the main pool and is the perfect place to perform hydrotherapy, rehabilitation, gentle exercise, water familiarisation and more!

Please note that due to group bookings, the Health & Activity Pool is unavailable to the public at certain times throughout the week. Please check at Reception, visit our website or phone 9298 4520 for details.

Aqua aerobics

Our classes are an ideal way to recover from injury or illness and provide a safe alternative to strenuous exercise programs, with the water environment providing support as well as resistance to the body. Aqua aerobic exercise is ideal for pregnant women, aids joint mobility in both men and women and is a great workout for all ages.

We offer a range of classes at convenient times throughout the week. For more information on aqua aerobics or for a copy of the class timetable please speak to one of our friendly staff members at reception or visit our website.

Memberships

With a huge range of activities and programs available to all, Maroondah Leisure Facilities offer an integrated passport to a healthier lifestyle. Our staff are committed to the delivery of Council's social objectives for the promotion of a healthy, active community.

We offer a fantastic suite of membership packages designed to back our commitment to providing a unique blend of quality venues and programs throughout the municipality. Each package is designed to provide flexible and affordable facility usage options.

With choices ranging from an all-inclusive Individual Lifestyle membership to Golf only, Aquatic only and Women's only memberships, you are certain to discover an option that meets your needs.

Special offer - any child enrolled in a Family membership can participate in swimming lessons for just \$10 per term!

Please speak to our staff at the front counter or call 9294 5503 for all membership enquiries.
